CAT barcamp 2019

Saturday, October 12th
8:30am to 6pm

WHAT IS A BARCAMP?

A Barcamp is a community driven event to promote the sharing of ideas and projects. Attendees create the schedule on the day of the event.

ATTENDEE DRIVEN TOPICS

Session topics and schedule are based on whatever the attendees are passionate about. Often a mix of tech, science, culture, and art.
